Public Hearings on Right to Health Care in Public and Private Health Sector

The National Human Rights Commission (NHRC) and Jan Swasthya Abhiyan (JSA), a civil society network, in association with Union Ministry of Health and Family welfare will be organizing **a two day Western Regional Public Hearing on Right to Health Care at Mumbai on 18-19 November 2015.**

During the Public Hearing, instances of individuals/groups having suffered serious denial of their right to healthcare from a public health facility or in private hospitals, or in context of publicly funded health insurance schemes, or in context of Public-Private-Partnership healthcare arrangements would be heard by a panel consisting of NHRC Members and health experts in the presence of state health officials. Cases of violation of health rights due to structural deficiencies or systemic gaps in public health services could also be presented.

Individuals/groups from **Rajasthan, Gujarat, Maharashtra and Goa** who have experienced violation of their health rights and who wish to participate in the hearing may contact the JSA state contact organisation in their state within 30 days of appearance of this advertisement. Persons presenting relevant testimonies would be invited for the hearing.
